Route to the Böhmenkirch site

Coming from Heidenheim (on the A7 highway and B466 national road), go to the end of Böhmenkirch village. At the traffic island, turn right into "Lindenstrasse". Follow the street for about 200m before turning left (on the right is a "Neukauf" supermarket) into "Buchenstrasse". After about 100m you will see our company's building on the right. Coming from Stuttgart or Göppingen, go to the "Ford-Autohaus Fuchs" automobile dealers right at the beginning of Böhmenkirch village. Turn left there to enter the "Bußkreuz" industrial area. After about 400m you will see our company's building on the left.
